## Secret Silver Box

In my secret silver box  
Secret silver box  
I keep the things I love  
The smell of the flowers in the garden  
The bizzy bizz from the bumble bee  
I play the cards on the floar  
See the wheels turn once more

Butterflies and sunshine  
Rainbow cross the river  
Purple dreams and silence  
Silence in the morning  
Music of the heartbeat  
Heartbeat of my love  
Sleeping next to me

In my secret silver box  
Secret silver box  
I keep the things I love  
The girl with eves of orange juice  
Sing her half way to the moon blues  
Play the cards on the floor  
See the wheels turn once more

While the summerfields are dancing  
Dancing in the summer  
Winternight is falling  
Falling in the winter  
The music of the heartbeat  
Heartbeat of my love  
Sleeping next to me

In my secret silver box  
Secret silver box  
I keep the things I love  
There´s no shadow in the night  
Only things that I hold tight  
There are no words filled with hate  
No war just peace and faith

Butterflies and sunshine  
Rainbow cross the river  
Purple dreams and silence  
Silence in the morning  
Music of the heartbeat  
Heartbeat of my love  
Lying next to me

In my secret silver box  
Secret silver box  
I keep the things  
In my secret silver box

Secret silver box  
I keep the things I love
