Chelsea Lady

Hey hey, hey-hey Chelsea Lady
Hey hey, hey-hey Chelsea Lady

Can't you hear me singin'
On my street-symphony
And can't you hear them ringin'
All my string-band melodies

I see you there
A flower-lady
Right across the street
When I pick up my hat and leave
It's you I'd like to meet
That's why you hear me singin'

Hey hey, hey-hey Chelsea Lady
Hey hey, hey-hey Chelsea Lady

I wonder who's gonna hold you
When your working day is through
'Cause if you don't have nobody
I'd sure like to be with you

I see you there
A flower-lady
I came a long, long way
When I pick up my hat tonight
I'll buy your last bouquet
Then you will hear me singin'

Hey hey, hey-hey Chelsea Lady
Hey hey, hey-hey Chelsea Lady

I wonder who's gonna hold you
When your working day is through
'Cause if you don't have nobody
I'd sure like to be with you

Hey hey, hey-hey Chelsea Lady
Hey hey, hey-hey Chelsea Lady

Hey-hey flower-lady
A flower-lady

I see you there
Right across the street
When I pick up my hat and leave
It's you I'd like to meet
