Moviestar

You feel like Steve McQueen
When you´re driving in your car
And you think you look like James Bond
When you´re smoking your cigar
It's so bizarre
You think you are the new kind of James Dean
But the only thing I've ever seen of you
Was a commercial spot on the screen

Moviestar, oh moviestar
You think you are a movie
Moviestar, oh moviestar
You think you are a movie
star a-ha

You should belong to the jet set
Fly your own private lear jet
But you worked in the grocery store
Every day until you could have thought to get away
So you went to Sweden to meet Ingmar Bergmann
He wasn´t there or he just didn´t care
I think it´s time for you my friend
To stop pretending that you are a

Moviestar, oh moviestar
You think you are a movie
Moviestar, oh moviestar
You think you are a movie
star a-ha

Frozen heroes
Your words are zero
And Your dreams have vanished into dark a long ago
But you don't want to know

Moviestar, oh moviestar
You think you are a movie
Moviestar, oh moviestar
You think you are a movie
Moviestar, oh moviestar
You think you are a movie
star a-ha
